

Amazing Bicycle Race – City of Kingston

Grab your bike and helmet and join us in Lemoine Point for the Amazing Bicycle Race on Saturday, June 9, 10 a.m. to 2 p.m. Participants should arrive at least by noon to ensure they complete the ride by 2 p.m. Participants will have a chance to win a prize by riding through the conservation area while completing activities and snapping photos (so pack a phone or camera). A shorter route has been planned for young families so everyone is welcome! Bring a team of three or more or plan on making new friend at the check-in located at the south parking lot by the Front Rd. entrance. Stronger riders may choose to bike to Lemoine Point as parking is limited. See you there!
